Comments written on evaluations:

- Instructor Heather is a good teacher. She explains very well the content, also her accents are very clear, providing me a model for my speaking. She is friendly and is interested in the students learning, not only in giving lectures. I appreciated this course and I would like to take another course from this instructor!
- Miss Heather is an amazing teacher. I would like to take another courses from this instructor. She is able to create an atmosphere of learning besides only teaching. Moreover, she is able to understand the cultural variety in class, then she can help specifically each student.
- Heather is a really good teacher and she encouraged me a lot.
